

The ESDELTE Project Learning, Training & Practice workshops aim to advance:

- Knowledge, skills, values and attitudes
- Networking
- Sharing experiences and peer to peer collaboration
- Learning about practical actions and best practices
- Capacity building
- Practical policy integration and coherence
- Enhancing the role and scope of education in context of goal 4.7 to address SDGs.
- Developing synergies and partnerships
- All sessions will be live streamed, recorded, and open to all interested participants. A dedicated page will be set up at the ESDELTE website to promote information about the different sessions.
